At St Joseph's Catholic High School Holiday Camps we sometimes take photographs of our participants. We use these photos on the School website, on social media, on display boards around the School and occasionally in the local press. We would like your consent to take photos of your child and use them in the ways described above. If you are not happy for us to do this that's no problem – we will accommodate your preferences.

We really value the use of these photos and to be able to showcase what we do on our activities and we would really appreciate you taking the time to give your consent.
